ABOUT US

Our company was founded in 1998. We build a new workshop in 2005, which area covers 16675m², owns 5 production plants covering 14000m² as well as an office building with 5floor.

Obtained the Export Licence for toy from our government on Dec.29,2007, and got the Export Licence for wooden decoration next year according to our government requirement. Later, we obtained the ISO9001:2000 on Aug.21,2008, we obtained the BSCI on Nov. 20, 2017, then we got the almost licence in our line.

The company since its establishment, it has been engaged in wooden craft, wooden toys design, wooden Deco and production; 20-years products and 20-years of experience, our company continues to be the perfect grown by

leaps and bounds; products have been exported to the United States, Europe, the Middle East and other international key markets, and maintained a long-term relations of cooperation with our customer.

Hongye Arts & Crafts after years of development, has begun to take shape and sales channels throughout the 20 countries; Cooperation brings the market, Mutual benefit makes everybody profit, Our president are very concerned the benefits of our customers, expectations to jointly creat a healthy long-term market; In the next coming years, Corporate planning to continue to broaden the sales market, in the consolidation of the old relationship between the customer, at the same time, try to expand new areas, develop new products, becoming Chinese wooden handicraft experts!
